Approval and Promulgation of Air Quality Implementation Plans; Pennsylvania; Enhanced Inspection and Maintenance Program Network Effectiveness Demonstration**AGENCY:** Environmental Protection Agency (EPA).**ACTION:** Final rule.

SUMMARY: EPA is approving a State Implementation Plan (SIP) revision supplement submitted by the Commonwealth of Pennsylvania on August 21, 1998. This supplement consists of a demonstration of the effectiveness of the Pennsylvania SIP's enhanced motor vehicle emissions

inspection and maintenance (I/M) program.

It includes a demonstration of the effectiveness of Pennsylvania's I/M testing network to satisfy the requirements of the National Highway Systems Designation Act of 1995 (NHSDA). The effect of this action is to approve the Commonwealth's demonstration of the effectiveness of its I/M program testing network, and to remove all *de minimus* conditions related to EPA's approval of Pennsylvania's program under the NHSDA. There is one remaining major condition of EPA's January 28, 1997 approval of Pennsylvania's I/M program related to the methodology for conducting on-going evaluation of the enhanced I/M program. Pennsylvania addressed that condition in a separate SIP submittal made to EPA on November 26, 1998. EPA will take separate action upon that submittal.

EFFECTIVE DATE: This final rule is effective on July 8, 1999.

SUPPLEMENTARY INFORMATION:**I. Background**

On September 16, 1998, EPA published a notice of direct final rulemaking (DFR) to approve the Commonwealth of Pennsylvania's August 21, 1998 I/M program SIP supplement (see 63 FR 49436). Pennsylvania's August 21, 1998 SIP supplement included the Commonwealth's enhanced I/M program network effectiveness demonstration, as required by the NHSDA. It also addressed seven *de minimus* I/M program deficiencies EPA identified in its January 28, 1997 interim conditional approval of Pennsylvania's I/M program SIP (see 62 FR 4004).

Opportunity for comment was provided, however, as EPA also published a proposed rule (63 FR 49517) in the same volume of the **Federal Register** in which the DFR appeared, proposing to approve the Commonwealth's August 21, 1998 SIP submission. The preamble of the DFR
